

REMARKS**1. Drawings**

The Examiner has indicated that the Applicant is required to file a separate letter submitting the formal drawings enclosed with Applicant's response filed on March 3, 2003. The Examiner also advised the Applicant that a petition must be filed for acceptance of color photographs and drawings under 37 C.F.R. §1.84(a)(2). Applicant has submitted the drawings to the Draftsperson in a separate letter and has filed the necessary petition under 37 C.F.R. §1.84(a)(2) for acceptance of the color photographs and/or drawings on even date herewith. As required under the rules, Applicant has submitted this amendment to insert the appropriate paragraph referring to the color drawings into the Specification.

Applicant believes that they have now complied with the conditions set forth in the Notice. Reconsideration and removal of the objections is respectfully requested.

If the Examiner has any questions concerning this application, he is requested to contact Leonard Svensson (Reg. No.: 30,330) the undersigned at (714) 708-8555 in the Southern California area.
